

Inter-Club Pickleball League 2026

Rules & Regulations

Introduction

This document outlines the framework for the Inter-Club Pickleball League (ICPL) 2026. The ICPL is organised and governed by its participating member clubs. It serves as a networking platform for passionate pickleball players to share skills and foster camaraderie, with friendly competition encouraged.

ICPL 2026 Committee

The ICPL 2026 is proudly co-organised by representatives from the following esteemed institutions:

- British Club (BC)
- National University of Singapore Society (NUSS)
- Singapore Cricket Club (SCC)
- Warren Golf & Country Club (WGCC)

Flame Communication has been appointed as our digital marketing partner, overseeing sponsorship coordination and all digital marketing efforts. The specific roles and responsibilities for each team member are outlined below:

- **Samuel:** Secretary/Advisor
- **Esmond:** Event Architect
- **PJ & Ed Bentley:** Operations Leads / Chief Judges
- **Benny & Florence:** Marcom/Treasurer
- **Benny:** Padlet - Scoring Software Support

PARTICIPATING CLUBS AND COMMITMENT

All prospective clubs are subject to consultation with current member club representatives. Clubs must meet the *Qualifying Member Club Criteria* (see Annex 1).

The proposed ICPL 2026 Clubs are:

1. The American Club (TAC)
2. British Club (BC)
3. Chinese Swimming Club (CSC)
4. National Service Resort & Country Club (NSRCC)
5. National University of Singapore Society (NUSS)
6. Seletar Country Club (SELETAR)
7. Singapore Cricket Club (SCC)
8. Singapore Island Country Club (SICC)
9. Singapore Recreation Club (SRC)
10. Singapore Swimming Club (SSC)
11. Tanglin Club (TC)
12. Warren Golf & Country Club (WGCC)

Participation Commitment: To participate in ICPL 2026, each Club must:

- a. pay an \$80 fee to the ICPL Treasurer prior to commencement of the league;
- b. host at least one Round Robin round, either on their own Club premises or at an external venue (at the cost of the hosting Club); and
- c. provide refreshments to all players.

Collection and Submission: Team captains are responsible for collecting participation fees¹ from players or Club section funds required to fund the refreshments to be provided. We anticipate that refreshments are to be provided to the five teams attending each Round Robin round (16 x 5 = 80 pax; plus any additional supporters attending). Expect to budget \$10 per player for soft drinks and snacks (i.e. \$800+).

ICPL 2027 and Divisional Split: Note that the ICPL Committee reserves the right to revise the ICPL 2027 format and may consider splitting Clubs into two Groups (Division 1 and Division 2) based on their ICPL 2026 ranking.

¹ **By way of example (suggestion only):** each week Clubs may field 14-16 players across each of the five Round Robin rounds. If a Club is to finance this from their own team's player participation fees, a Club would charge a \$10 fee per player for each of their 16 players, across five Round Robin rounds it would provide \$800 in funds to support refreshment costs (\$10 x (16 x 5) = \$800).

SCHEDULE AND HOST CLUBS

League Period

Tuesday 4 August 2026 to Sunday 13 September 2026:

- Round Robin: Tuesday 4 August 2026 to Sunday 6 September
- Semi-finals: Monday 7 September to Sat 12 September 2026
- Finals: The final round will likely be hosted at Warren Golf & Country Club, followed by the ICPL 2026 Gala Event dinner and medals presentation on Sunday 13 September 2026.

Event Grouping and Structure

There are two Groups (Group A and Group B) for the Round Robin, followed by one Semi-Final round and one Final round.

To ensure competitive balance, the top two teams from last year have been placed in separate groups. Remaining clubs were allocated by draw on 15 May 2026 (see Master Schedule table at back of this document).

Schedule

Each hosting Club must select one **primary hosting date** and, if courts are uncovered, one **back-up date** (in case of rain). Clubs with single courts must seek an external venue or host on a single weekend.

- **Weekdays (Monday – Friday; from 6:30 PM onwards)**
- **Weekends (Saturday & Sunday) and Public Holidays**
- To avoid walkovers and maximum player participation, Clubs are strongly encouraged to book slots on **Friday evening or on a weekend**.

The Master Schedule and each Club's specific match schedule can be viewed at the back of this document.

Hosting Club's Role in Event Success

The hosting Club is responsible for:

Event Coordination: Scheduling and organising all aspects of their hosting round.

Sponsor Engagement: Providing booth or table space for sponsors to display products and promotional materials.

Venue Provision: Making courts available at no cost to the ICPL Committee.

Hospitality: Providing drinks and refreshments throughout the hosting session.

Host Club Penalty: If a hosting Club fails to complete its hosting session, 5 points will be deducted from the Club's total score and incomplete matches will be recorded as a draw. If a Club withdraws shortly before or during the event, it must contribute S\$500 to the ICPL Committee for costs.

Media and photography: All photographs and media taken during the ICPL 2026 by the ICPL Committee or its representatives may be used for general publicity and promotion of the league and the sport of pickleball. By participating, Clubs and players consent to such use of their image.

PLAYERS

Player Registration: Each Club may register an **unlimited number** of players from their Club's membership pool prior to commencement of ICPL 2026. A Club is permitted to register additional players **during ICPL 2026**, but the DUPR rating and age must be captured as at the date of registration.

When registering, indicate the player's name, age, DUPR ID and DUPR rating. DUPR ratings and age are fixed at time of registration. Players without a registered DUPR rating will be automatically assigned a 3.5 rating for men and a 3.0 rating for women.

Lineup Submission: Each Club captain must submit its player lineup from its registered pool of players via the Padlet app **two hours** before the start of every round.

Reporting Time: Players must report for their match 15 minutes prior to the scheduled start time. There will be no grace period to commence a match, if players are not there at the start of their match a walkover will be issued.

Indemnity Form: All Players must sign the indemnity form that is provided on the Padlet app.

Penalties: It is the responsibility of the team captain or designated club representative to ensure timely submission and attendance of players. Failure to submit the player lineup by the deadline will result in a forfeit (walkover). If a Club fields players in breach of the category requirements or repeat player rule, it will result in a walkover score of 21-0 for the Match.

Repeat Player Rule: Per round, a maximum of one female player may repeat once in Advanced (e.g., Women's Doubles then Mixed Doubles) and one female player may repeat once in Intermediate.

Examples:

- 1) a female player can play Women's Doubles in Advanced level category, then again in Mixed Doubles in Advanced level category
- 2) a second female player can play Women's Doubles in Intermediate level category, then Mixed Doubles in Intermediate level category

Injury Protocol During a Rally

Injury: If a player is injured during a rally, play continues to conclusion of the rally. If the player cannot continue after a 10-minute medical time-out (or extended period approved by organisers), the team may either:

- (a) forfeit that Game (see below); or
- (b) elect to continue the Game and Match with the one remaining player.

Consequences of Forfeit:

- a) **Game Awarded:** The game is awarded to the opposing team with a score of 21 points. The injured player's score remains as is.
- b) **Second Game Score:** If the second game has not been played, its score will match the forfeited first game score.
- c) **Match Continuation:** All other scheduled game categories proceed as planned.

FORMAT OF PLAY

Game Format

The competition features three categories, grouping players by skill and age. The Club with the highest cumulative points across all categories wins the ICPL Champion award. Category awards are also given for Advanced, Intermediate and Senior.

Glossary:

Tie: a Club vs Club round.

Match: each competitive match involving a Club pair vs another Club pair, consisting of two Games.

Game: each 21-point (sudden-death) Club pair vs Club pair game.

Match Structure: Each Match consists of **two (2) Games played to 21 points**. There is no "deuce"; games end with sudden death when a team reaches 21 points. Teams will switch sides after the first game.

Categories: There are three categories:

Requirement	Category 1: Advanced	Category 2: Intermediate	Category 3: Senior
DUPR	8.0 cap per pair	Individual player DUPR must be 3.5 or below	8.0 cap per pair
Age Requirement	No age limit	40+ years	55+ years and the combined total age of pair 120+ years.
Match Format	1 x Men's Doubles (MD) 1 x Women's Doubles (WD) 1 x Mixed Doubles (XD)	1 x Men's Doubles (MD) 1 x Women's Doubles (WD) 1 x Mixed Doubles (XD)	2 x Gender Neutral Doubles (GND) Note: see footnote below for GND fairness points advantage²
Players Required	3x Male and 3x Female	3x Male and 3x Female	4x any gender

² GND Fairness Adjustments applied where there is a gender discrepancy:

MD vs XD: XD starts with a 3-point advantage.
MD vs WD: WD starts with a 5-point advantage.
XD vs WD: WD starts with a 3-point advantage.

Scoring

Result Submission: All match results must be updated on the Padlet app by the winning team's captain or sent directly to Benny for update. The opposing team's captain must then verify the submitted results.

Point Allocation:

Match Win: 3 points
Match Draw: 2 points
Match Loss: 1 point

Tie Win: 2 points
Tie Draw: 1 point
Tie loss: 0 point

Match Rules for Round Robin and Semi-Finals Matches

Officials: No referee or line-referee is assigned.

Calling "OUT": Players are responsible for calling a ball "OUT" if they can clearly see a space between the line and where the ball lands. The call must be made before the opposing team makes contact with the ball.

Score Calling: Players must loudly and audibly call the score before serving the ball.

Time-out: Each team is entitled to one (1) one-minute time-out per game.

Dispute Resolution:

- a) If a dispute arises, players should first attempt to clarify with both team captains.
- b) If the captains cannot resolve the dispute, they should involve a chief judge or a working committee member for resolution.
- c) A replay may be granted if both captains agree to it.

Tie-Breaker Rules

If two teams conclude their group stage with identical points and tied head-to-head results, the following tie-breaker procedures apply:

Tie-Breaker Criteria:

- a) **Overall Match Points:** The team with more total match points ranks higher.
- b) **Games Won:** If match points are equal, the team with more games won ranks higher.
- c) **Game Score Differential:** If games won are tied, ranking is determined by the aggregate difference between games won and lost.
- d) **Head-to-Head Comparison:** If still tied, apply criteria (a) through (c) to head-to-head results only.

- e) *Coin Toss*: If all criteria fail to separate the teams, a coin toss determines the final ranking.

Match Rules for Finals

Officials: A referee and potentially a line-referee will be assigned.

Calling "OUT": Players are still required to call a ball "OUT" if they can clearly see a space between the line and where the ball lands. (This indicates that player responsibility for line calls continues, but the referee has the final say).

Score Calling: Players must loudly and audibly call the score before serving the ball.

Dispute Resolution: The assigned referees will resolve any disputes immediately.

Time-out: Each team is entitled to one (1) one-minute time-out per game.

Weather & Postponements

Rain Before a Match Starts: If it is raining and the captains have not agreed to postpone, all players must attend the venue. A match can only commence if both captains agree. If the match cannot start within 30 minutes of the scheduled time, it will be postponed.

Match Suspended Due to Unfit Courts: If rain makes courts unfit during play:

Resumption: Play shall not recommence unless agreed by both team captains.

Postponement: If play cannot recommence within 30 minutes, the teams and hosting Club captain may arrange a postponement.

Rescheduling: The hosting Club's back-up rain date will be used for unfinished matches.

Forfeiture: If teams fail to compete on the rescheduled date, both teams forfeit and no points are awarded.

Misconduct Penalties: Any discrepancy or misconduct must be immediately reported to a chief judge (with supporting evidence, e.g., video). If confirmed, the match may result in disqualification and points deduction.

Competition Balls: The committee will supply the official competition balls to be used during the match.

Apparel: Players may not wear clothing of a similar colour to the competition ball, as this may affect visibility during play.

Governing Rules: Unless otherwise stated, matches shall be governed by the latest edition of the USA Pickleball Official Rulebook.

CODE OF CONDUCT

All participants are expected to uphold the spirit of sportsmanship that pickleball embodies, including respect, fair play, and graciousness in winning and losing.

Respect: Treat all players, officials, and spectators with respect regardless of background. Objectionable language, profanities, aggressive arguments, taunts, threats, or discriminatory remarks are prohibited.

Integrity: Players shall conduct themselves in a sportsmanlike manner, give due regard to officials and opponents, and not disrupt the flow of play. Deliberately not giving best effort, or abusing equipment, is prohibited.

Safety: Players must consider the safety of others. Recklessly throwing paddles, striking balls in anger, fighting, or damaging venue property is prohibited.

Venue: Players are expected to dispose of waste properly and keep the venue clean.

Annex 1

Qualifying Member Club Criteria for Inter-Club Pickleball League

To be eligible to participate in the Inter-Club Pickleball League, a club must meet each of the following criteria:

a. Membership Structure

Either:

- i. *Equity-Based*: Membership must be acquired through the purchase of a transferable instrument (e.g., an equity share or debenture). Members should have a proprietary or quasi-proprietary interest in the club; or
- ii. *Non-Equity-Based*: A club which does not satisfy the requirements of (a)(i) above, but which has received the approval of each Equity-Based Participating Club.

b. Member Governance

Member-Managed: The club must be managed by a committee or board elected by its members. Members should have voting rights on club matters.

c. Admission Process

Selective Admission: New members must apply and be approved by the club or its committee. This typically involves a process such as a ballot, sponsorship, or an interview, rather than open enrollment.

d. Facilities

Established Recreational Facilities: The club must operate from permanent premises (owned or long-leased) and offer multi-sport or multi-recreational facilities as a primary function. Clubs are required to have a minimum of 1 court available for pickleball.
